Re: SIP Application No. 29046, Dated September 28, 2023
Facility AIRS No.: 297-00061

Dear Ms. Perry:

Enclosed please find Air Quality Permit No. 3711-297-0061-E-01-0 for construction and operation of an electric vehicle manufacturing facility at Rivian New Horizon, LLC in Social Circle, Georgia. Please note that a Title V application is required to be submitted within 12 months of the startup of the facility.

Note that any future modifications that might affect potential emissions from your facility will require review and possible permitting through this office.

The following types of correspondence should be sent to the Division personnel indicated:

- Testing notices and test results: Dan McCain – Unit Coordinator, Stationary Source Compliance Program
- All other required notifications and reports: Sean Taylor – Program Manager, Stationary Source Compliance Program.

Thank you for your cooperation. If you have any questions or need more information, please contact me at (470) 524-0685 or via email at Ginger.Payment@dnr.ga.gov.

Sincerely,

Ginger Payment
Environmental Engineer
